*ATC uses Social Security Numbers, Date of Birth and Gender for student identification purposes on student records. Providing this information is voluntary. If you do not supply this information, your application will still be processed. This data is requested for purposes of administration, program evaluation, and consumer data. Your information may also be used to create summary data about Minnesota State programs through data matches with other state agencies.

This form is for individuals not formally admitted to an Anoka Technical College (ATC) certificate, diploma or degree program who want to enroll in undergraduate coursework. Students seeking to enroll in an ATC degree, diploma, or certificate program must formally apply through the Enrollment Services Office and provide official transcripts from all schools attended.

Financial aid (loans, grants, work-study) is not available for Visiting Students. If students hold a formally admitted status at another Minnesota State institution, they may apply for financial aid through their home school via the Minnesota State Consortium Agreement. Students receiving financial aid from a non-Minnesota State institution must supply a written consortium agreement from their home school.

Visiting Student status is valid for one term and students must re-apply each term. Visiting Students are responsible for adhering to ATC deadlines, policies, and procedures published in the ATC student handbook. Once registered for a course, students are responsible for all tuition and fees associated with their registration. Failure to attend class does not constitute a valid drop, withdrawal, or cause for refund. Students enrolling in courses requiring pre-requisites must provide the appropriate documentation (e.g., transcript). Students needing a transcript from another Minnesota State institution should request a free eTranscript.

To make registration changes, check grades, or pay tuition, log into your eServices account from ATC's website:
www.Anokatech.edu.

For more information, call ATC's Records Office at 763-576-7740 or email registrar@anokatech.edu.

I have read and agree to the above information.

Immunization Information

Minnesota Law (M.S. 135A.14) requires proof that all students born after 1956 are vaccinated against diphtheria, tetanus, measles, mumps, and rubella while allowing for certain specified exemptions.

Please click [here](#) to complete the online immunization form or find it at <https://inoweform.campus.mnsu.edu/imagenowforms/fs?form=AnokaT%20Immunization%20eForm>

Another option is a printable immunization form at <http://www.anokatech.edu/BecomeStudent/Admissions/FormsResources> under “Admissions.” Follow the instructions on the form to return it to Anoka Technical College.
