Current Address: _____
Street

Phone contact: _____

E-mail contact: _____

Definition of Re-admission:

Re-admission is defined as:

- Re-starting the Practical Nursing program after being ineligible to continue in the Practical Nursing program due to unsatisfactory grades (2 or more unsuccessful NURS courses) or
- Restarting the Practical Nursing program after successfully completing at least one NURS course before a break in nursing education of greater than one year.

A student may only be readmitted **once. All NURS courses are repeated.**

Directions:

Complete this form and submit according to the Readmission Policy and Procedure found in the Practical Nursing handbook. A copy of a current transcript must accompany this form.

Reminder: Eligibility requires a minimum cumulative GPA of 2.0 to be considered for Practical Nursing program re-admission.

1. When did you last attend ATC and the Practical Nursing program? Include semester and year.
