Part-time Course Options for

Medical Assistant Diploma and AAS

Students can choose to complete the Medical Assistant programs part-time. Part-time students will take longer to complete their program than students who follow the full-time sequence listed on the official program guides (see: diploma, AAS degree). Because every course may not be offered each semester, it is important for part-time students to reach out to their faculty advisors for help in planning their long-term, part-time course sequence.

Below, new Medical Assistant students can find the first semester part-time course options. After the first semester, work with your faculty advisors to plan future semesters.

First semester part-time course options:

<table>
<thead>
<tr>
<th>Credits total</th>
<th>Courses</th>
</tr>
</thead>
<tbody>
<tr>
<td>6</td>
<td>HLTH 1005, HLTH 1040*</td>
</tr>
<tr>
<td>7</td>
<td>HLTH 1005, HLTH 1040, MATH 1010</td>
</tr>
<tr>
<td>11</td>
<td>HLTH 1005, HLTH 1040, MATH 1010, ENGL 1107 (or 2105)</td>
</tr>
</tbody>
</table>

*Students with ACCUPLACER Reading Comprehension scores below college-level should take the required developmental reading and English courses before taking HLTH 1005 or HLTH 1040. See below for more information and reach out to enrollment services with questions.

Developmental Courses

Both diploma and AAS degree students are required to take a college-level English course (ENGL 1107 Composition I or ENGL 2105 Business & Technical Writing) and a college-level math course (MATH 1010 Dosage Calculations).

Students with Reading Comprehension ACCUPLACER scores below college-level should take the developmental Reading & English courses required by their placement bracket in their first semester.

Students with Arithmetic ACCUPLACER scores below college-level should take MATH 0801 Basic MATH in their first or second semester.

Questions? Need help?

Enrollment services can help with questions related to ACCUPLACER placement and course registration in general.
