

## Bio

Hello, my name is Christine Anderson. I am in the LPN (Practical Nursing) Program here at Anoka Technical College. I am a single mother of a 3-year-old high functioning Autistic boy, he is my world. This is my 5<sup>th</sup> semester at Anoka Tech with doing my generals and classes I could do ahead of time before my program started.

Before I decided to come back to college I worked as a lead cashier at Cub foods Riverdale in Coon Rapids. After I had my son in 2013 I had the opportunity to go back to school through the Blaine County offices doing the Healthcare pathways program, which is a fast track program to get your CNA. So, I got my CNA in May of 2015. I liked doing that a lot, but I needed a more stable job that was Monday through Friday due to only having daycare for my son. That's why I decided to do the LPN Program here at Anoka Tech.

Also, I am now on the Student Senate here at Anoka Tech after talking with Thomas Lien (the president of Senate). It will be a good contribution to my resume. I am interested in the Treasurer position in the Student Senate. I would welcome the opportunity to serve on the Student Senate board. I will do the best I can do while learning on the way as I am doing it. I am good with money, but will just have to learn exactly how it works and what needs to be done. So, please consider me for the Treasurer on the Student Senate board.

Thank you for your time and I look forward to working with you all.

Thank you,

Christine M. Anderson, SPN
