

Bio

Robertta Warnpeh is a 20 year old born April 6th 1996. Born to the parents of Robert O Warnpeh and Mama G Warnpeh. When the war broke out the day of her birth her parents knew that in order for a better future they would have to relocate. Robertta and her family moved to the United states in the year of 98. She is currently enrolled at Anoka Technical College as she accomplishes her dream of improving the medical field as she pursues her Surgical Technician degree.

During her time of residing in Minneapolis, Minnesota Robertta has given her love, time, compassion and morals within everything she attempts with her community. At the age of 15 she came to a realization that she had the talent and passion for helping others. She became an advocate for the young and has expanded her helping hands to the elderly as well as those of

special needs.

Ms. Warnpeh is currently running for Vice president of student senate for the school year of 2017- 2018. She knows that everyone has a voice that should be heard and ideas that should be brought to life. That a student's journey to a better life starts with that student's wants and needs. Ms. Warnpeh believes that no two students are alike, that everyone is special and has a role to play for a smooth academic feel. Education is very important, just as much as your perspective of how your educational journey should be.
