

Thomas Lien

Thomas is a student enrolled in Supervisory Management Program and current sitting President on the Student Senate. In his time here he has helped to recruit a number of new members and is currently pushing to improve the senate here on campus, and revive some of the excitement that can be here at our school. He is working with the Campus president as well as other staff to build a strong and enduring Senate that has purpose and passion. He wants the student body to know they have a voice and that it can be heard.

Thomas is also a husband, father of 6, son, brother, student, mentor and friend. He enjoys bowling with his wife on leagues, travelling, spending time with his kids, and working around the house. He is passionate about what he does and it shows in his work. He enjoys his time on the senate and has a number of ideas about how to make campus life better for all of us. He enjoys spending time with his fellow students and hearing their stories, and he would love to represent you as Student Senate President.
