

After Graduation

Office of Records and Registration

As a graduate, you automatically become a member of the Anoka Technical College Alumni Association. We encourage you to stay in touch and keep your mailing and email addresses current so we can inform you of Anoka Technical College's activities.

So just because you have graduated doesn't mean we forget about you! We want you to stay connected with your program, your instructors, and the college by:

- ✓ Participating in social gatherings of program and college graduates.
- ✓ Networking with representatives of your industry.
- ✓ Being featured in college publications and on the alumni website.
- ✓ Becoming a program ambassador through financial donation.

For more information about these and other alumni opportunities, contact:
