

Part-time Course Sequence Options

Medical Assistant AAS and Diploma

Students can choose to complete the Medical Assistant programs part-time. Part-time students will take longer to complete their program than students who follow the full-time sequence listed on the official program guides. Because every course may not be offered each semester, it is important for part-time students to reach out to their faculty advisors for help in planning their long-term, part-time course sequence.

Below, new Medical Assistant students can find the first semester part-time course options. After the first semester, work with your faculty advisors to plan future semesters.

First Semester Part-Time Course Options

Course Subject & Number	Course Name	Credits
HLTH 1005	Anatomy & Physiology	4
HLTH 1040	Medical Terminology	2
MATH 1010	Dosage Calculations	1
	TOTAL	7*

** Part-time students must take all 7 credits*

Questions? Need Help?

For information on how to apply, to schedule a tour, or for service during summer hours, contact Enrollment Services at 763-576-7710 or EnrollmentServices@anokatech.edu

For detailed questions about your program or to plan your long-term part-time sequence, reach out to your faculty advisor:
